

## Measurement Form

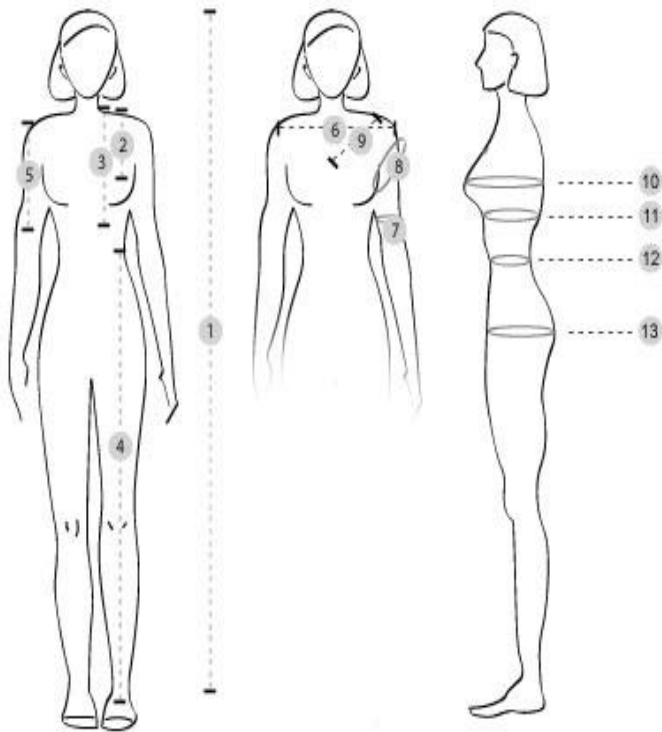

It is absolutely necessary that we receive accurate measurements to ensure that the outfit ordered fits you perfectly.

### To ensure proper fit:

- Measure yourself just prior to placing an order
- If possible, have someone else measure you
- Do not make extra allowances
- Do not pull tape too tight

### Sizing Chart:

| No. | Particular             | Inches |
|-----|------------------------|--------|
| 1   | Height                 |        |
| 2   | Shoulder to apex point |        |
| 3   | Blouse length          |        |
| 4   | Waist to feet          |        |
| 5   | Sleeve length          |        |
| 6   | Shoulders              |        |
| 7   | Around Arm             |        |
